

## BONAINVEST: ANNUAL RESULT INCREASED BY 62.5%

Wirtschaft

Bonainvest Holding AG was successful in the 2017 financial year. The company, based in Solothurn, increased its annual result by 62.5% to CHF 6.76 million compared to the previous year. The portfolio value of the real estate increased by 28.8% to 176.9 million CHF, the rental income grew by 29.1% to 6.77 million CHF, as the company says.

Given the good business, solid financial base and good prospects, the Board of Directors proposes to increase the dividend from capital contribution reserves from 1.40 to 1.70 CHF per registered share.

Bonainvest offers tenants and apartment owners added value with sustainable architecture, connected home technology and home ownership individual living services. Bonainvest is currently developing and building projects with a total volume of over 470 apartments and a market value of more than CHF 200 million, in which sustainable architecture and smart residential services are being brought up to date.

**Bonainvest's shares are unlisted and will be floated over the own company acted.**
